If you are unable to do a duty, please arrange a swap and alter the rota at the back of Church. If you cannot do this, please inform one of the Church Wardens.

Communion Administration: For the earlier weeks in this rota, it is likely that only the celebrant will receive the wine. This may change in the weeks leading up to Christmas. I have therefore put people down to assist with administration at the bigger services starting on 14th November, but this will depend on developments and advice we receive.

Coffee. To avoid asking people to organise the tea and coffee more frequently than roughly one week in four I've left some weeks blank and will try to find others to fill the gaps.

Crèche. There are currently too few people available for a viable rota to be organised at this stage.

Key and contact details: to ensure that we are observing the General Data Protection Regulation, the key and list of contact details are not being printed until everyone on the rotas has agreed that they are willing for information to be published in this way.
